On Wednesday 2 November 2022 at 7.30

1. Notice convening the meeting
2. Apologies for absence
3. Minutes of the 2021 agm
4. Matters arising from those minutes
5. Reports for 2021-22
 - 5.1 Co-presidents'
 - 5.2 General Secretary
 - 5.3 Treasurer
 - 5.4 Any other reports submitted
6. Motions
 - 6.1 Changes to club rules

Each year the committee is required to look at the club rules. The following minor changes variously catch up on new situations that have evolved, or reflect comments from England Athletics comments on governance the current situation, rather than suggesting anything radically new.

Title

Change the title from *Rules* to *Constitution and rules*

Reason: nothing else says constitution and this document is also that.

5. Committee

Give the committee powers to set up etc sub-committees.

Add to the end of the first paragraph: *The committee may set up and dissolve sub-committees as it sees fit, and set their responsibilities, membership and duration*

Reason: We don't have such powers but already have a sub-committee

5. Committee

Committee posts

change *ex-presidents* to *three* ex-presidents

Reason: Current arrangement is too elastic

6. Membership

Minimum age of members be lowered to children in school year 6

Reason: Will give up to a year of experience to those joining our U13 squad

8. Governance

Sentence 1

Change to *constitution and rules*

Reason: consistency with Title, above

10. AGM

Pre-penultimate sentence.

Currently 'Each member shall have one vote at a general meeting, which can only be cast in person'. Revise to 'Each member shall have one vote at a general meeting, *parents may vote for members aged under 18. Votes can only be cast in person i.e. votes cannot be cast by a proxy*'

Reason: There is no provision for voting for juniors. The rules were written in pre zoom times and without this explanation it could be thought that those there electronically could not vote.

11. EGM

Pre-penultimate sentence

To become: *Club members must be present in person or electronically to be eligible to vote ie votes cannot be made by a proxy.*

Reason: this was written in pre zoom times and without this explanation it could be thought that those there electronically could not vote.

Proposed by the committee

6.2 Any others submitted

The joining fee is increased to £10

Reason: The joining fee is currently £5 includes a club vest. The increase will reduce the net cost to the club (last year £1300) of the subsidy.

Proposed by the committee

7. Election of committee

The committee is subject to re-election each year.

The 2021-2 and nominations for the 2022-3 committee is set out below. If you wish to stand for any of the roles, be they new or not, please put your name forward with a proposer and seconder by 10 October when the remainder of the agenda will be circulated.

The club is run by its members, but those that run it are a very small subset of our nearly 600 members. We work on the principle that the best approach is that small jobs are done by a large number of people. However it is worth noting that quite a few people (at least six) do multiple roles. It's in their interest and that of the wider club that these roles are spread more widely. Please come forward to help out.
